

Tombstone Letter.

From Our Special Correspondent.
TOMBSTONE, Dec. 28, 1900.

EDITOR REVIEW:—The week just past has been a busy, joyous one in Tombstone. The stores were well stocked with Christmas goods, but the end of the week finds the stock depleted, the merchant smiling and many young hearts beating faster for the joy of having received a Christmas present.

Rev. Mr. Elliott, the Episcopal Missionary for Tombstone, Bisbee and Nogales, spent Christmas in Tombstone, a guest of Mr. and Mrs. Charles Langpaap. He held service on the evening of the 25th and preached to a large congregation.

On Monday Mr. M. J. Brown and wife left Tombstone to take up their residence in Bisbee. Mr. Brown was one of the pioneers, almost, of Bisbee, and has lived in Tombstone over four years, two years of which time he served as county recorder. Mr. Brown's friends wish him the full measure of success in his new venture in Bisbee.

The evidence of prosperity and the confidence in Tombstone which some of the old timers still hold, is evident in the fact that there are no vacant dwelling houses and some of the business houses are being repaired at a large expense.

C. L. Cummings is refitting the Barney Meyers place at the corner of and Fifth streets, which when it will be occupied by the large store of Cummings now located at that street.

It was received here on the 22nd death at Bakersfield, California, B. F. Hafford. The Colonel was an early settler in Tombstone, started business in the early 1880. He made a fair sized fortune here, in the liquor trade, stayed with the town until the close of the mines reopening seemed when he moved to Rands, California, and became interested in mining and made two sales of considerable sums of money. The time of his death he was in circumstances, financially.

Probate Judge-elect Bostwick has arrived with his family and located in the house known as the Judge Stilwell residence.

C. M. Benton has been out with a petition asking the new board of supervisors to appoint J. F. Duncan clerk of the board of supervisors.

When court adjourned on the 21st instant, the judge informed lawyers and litigants that at the opening of the next term the civil calendar will be called first, and the court will expect all cases on the calendar to be ready for trial; intimating thereby that he will not tolerate the practice of putting off cases without a good reason for so doing, to the encouragement of legal laziness and loss to litigants. Indians Will Eat.

Last Thursday night Cochise Tribe No. 7 of the Improved Order of Red Men gave their banquet in Graham Hall which was participated in by members of the order and their invited guests. The hall was brilliantly lighted and the decorations consisted of the colors artistically displayed with small American flags opposite each plate. Covers were laid for seventy-five people. The guests sat down to the sumptuous repast about 9:30 and it was after midnight when the party dispersed. The preparation of the banquet was placed in the hands of Henry Collman. This insured the enjoyment of all the good things to eat that the market afforded. The Red Men is a strong order in Bisbee, and the REVIEW hopes that the members of this order may live to enjoy many such pleasant occasions as the banquet given Thursday eve.

Prisoners Sentenced.

As a result of the recent term of court at Tombstone, the following prisoners were sentenced to Yuma:

Sid Page, murder, sentenced to 20 years.

Matt Burts, assault with intent to rob express messenger, sentenced to five years.

Geo. Woleschlegar, robbery of faro game, sentenced to five years.

Raymond Evans, robbery of faro game, sentenced to five years.

Blus Ortes, assault with intent to commit murder, sentenced to two years.

W. E. Herring, attempted assault upon a child, sentenced to 10 years.

At a meeting of the Bisbee fire department Thursday evening, 1000 feet of hose was ordered and business looking toward the efficiency of the organization transacted. The officers for the ensuing term are J. B. Angius, chief; L. W. Wallace, foreman; Otto Gelsenhofer, foreman; Allie Howe, secretary. The purchase of the new hose, which was urgently required, places the department in need of funds to defray the necessary expenses. Our fire department must be cared for above everything else.

Preparations are going on very satisfactorily for the Red Festival at the opera house on January 11th.

FREE Handsome Holiday Spoon

The cent shows an elegant Coffee Spoon that is novel in design and sure to please.

On the front appears the open fireplace and a stockpile, without which a Christmas is incomplete. The tree loaded with good things is distinctly seen above the narrow part of the handle, on which appears in plain letters the words "Merry Christmas."

In the gold bowl we see old Santa Claus with his flowing locks and his grey beard, swinging his whip threateningly over the back of his fleet reindeer. Altogether it is a most pleasing picture and proper emblem of Merry Christmas.

On the back of the handle are the glad bells which "ring out the old and ring in the new" and underneath old Father Time with his cruel scythe. "Happy New Year" completes the decoration on the back of the handle.

Altogether it is a most beautiful article suitable for a holiday present for one's self or a friend. The collection of handsome spoons has assumed in many localities the proportion of a huge fad and this spoon is good enough to place beside any of them.

This spoon is the most suitable Christmas gift you could make to ladies, Sunday school children, or children in the public or day schools; church fairs often use several hundred of them.
